## THINGS TO BRING WITH YOU

Passport and all pertinent travel documents including Student ID
Traveller's checks/ATM card valid in Europe/ Euros (more than 100 Euros in cash is not recommended)
Laptop capable of handling graphic software (GoogleSketchUp)
Prescription and necessary medications in sufficient supply for duration of Program
Transformers for electrical equipment such as hair dryers, phone chargers, and laptops
All toiletries and items for personal hygiene including deodorant and insect repellent; there may not be sufficient time in the schedule for shopping for such items.
Camera (cell phone camera is acceptable); be sure to have extra memory cards as you will want to take lots of photos! And remember to bring a charger or extra batteries. If your camera equipment is expensive understand you are responsible for its safe-keeping.
Sturdy walking shoes (many streets are cobblestone) and appropriate clothing for architectural tours (bare shoulders not allowed in churches) as well as swimwear and wraps for cool evenings. It is advisable to remember that, when in Rome do as the Romans do. With clothing this means to dress comfortably but nicely. Also pack hats with visors for blocking out the sun and/or sunglasses. Sun protection for the skin is highly recommended.
A reusable water bottle is strongly recommended; Rome has some of the world's best water and it's free! Fountains abound.
A collapsable umbrella in case of rain
Students are responsible for security of their personal belongings; include whatever security measures deemed appropriate for equipment and personal items. Capranica is quite safe but Rome is a big city so students are advised to carry money and cameras in a safe and secure manner.
Bed linens are provided but if you have need of a special pillow type, you need to bring your own. Towels will be provided.
THINGS <u>NOT</u> TO BRING WITH YOU
No accessories or embellishments for the rooms; space is a premium in Italy; the sleeping arrangements are cozy but comfortable yet will not accomodate many extras; plus, for a two-week program it is not necessary; little time will be spent in the rooms!
No valuable jewelry
No drugs or drug paraphernalia of any kind; nor alcohol nor cigarettes; nor anything that might be construed as a weapon.
